MEMORANDUM FOR: Chief, Information Processing Staff

SUBJECT : Annual Agency Report to the Information
Handling Committee

1. Attached are contributions for the report to the Information Handling Committee from the Office of Logistics and the Office of Security. The two DDS activities reported, EPIC and SANCA, are most directly related to community information processing interests.

2. I discussed this report with other offices, notably the Office of Communications, and came to the conclusion that none of the other DDS activities are of a type which should be included.
